## Stewards of Children

Thursday, July 27 2017

6:30pm-8:30pm

Pittsford Fire Department Pittsford, VT

Stewards of Children is a prevention program that teaches adults how to prevent, recognize and react responsibly to child sexual abuse. This interactive training utilizes survivors' stories and experts in the field to provide practical tools to reduce opportunities for abuse to occur in organizations and communities.

### WE ALL HAVE A ROLE IN PROTECTING CHILDREN

#### You Will.....

- Learn the facts about child sexual abuse
- Learn 5 steps to better protect children from abuse
- Gain tools for responding skillfully to suspicions and disclosures
- Positively impact change to organizational policies and procedures

#### Why Attend.....

Child Sexual Abuse has devastating consequences for child victims and their non-offending family members. Research has shown that child victims suffer from trauma that often stays with them into adulthood with debilitating personal and societal consequences.
