

IN MEMORIAM

Charlie Rivers (1930-2018)

Charles "Charlie" Rivers passed away peacefully at his home on Tuesday, January 23.

Charlie began working for the Town of Pittsford on November 12, 1962 as a member of the Town's Highway Crew. He transitioned to part-time work as the Attendant the Town's Transfer Station in 1998. He worked for the Town for over 55 years and never gave a thought to retiring.

Charlie, a resident of Brandon, also devoted nearly 60 years of service to the Brandon Fire Department and to the Brandon Area Rescue Squad.

Charlie was known for his hard work, dedication, love of family and friends and his playful sense of humor. We will all miss our beloved friend and co-worker....
