SAFETY CHECK

With the change of seasons comes the threat for inclement weather and the possibility for long-term power outages.

The Pittsford Department of Emergency Management recognizes that this is a major concern for the elderly or those with specific medical needs, such as medication, refrigeration, oxygen therapy or users of any other medical device that relies on power to operate.

To address this concern, we would like to create a database of Pittsford/Florence residents who might benefit from a "Safety Check" during these times.

If you, a neighbor, family member or other Pittsford resident you know might benefit from a "Safety Check" during a long-term power outage, please contact me at (802) 747-8184 to be added to our list.

Thanks, Jason P. Davis, Pittsford Emergency Management Director

PITTSFORD FOOD SHELF

Thank you to all who have been so generous with your garden harvests. Our clients love the assortment of veggies we have had this summer. Thank you also to Woods Market who also has given very generously this summer.

Reminder we are in the process of recertifying each clients status, therefore you are reminded to bring in a current utility bill. If you own your own home we already have that information on file.

November and December will require appointments to shop at the Food Shelf. As we have done in the past, we will be open the first two weeks of November and December and closed the last two weeks of both those months so our volunteers can have time with their families over the holidays. Appointments will be made beginning in October.

Items needed for the holidays are stuffing, cranberry sauce, sweet potatoes or canned yams, canned fruits and veggies, cake & frosting mixes along with personal care items, and paper goods, jello and puddings, coffees, teas and hot chocolate.

If you are interested in helping in November or December give Robin a call at 558-5768.

Hours are Mondays 9-11; and Thursdays 4-6. Commodity pick up is the first Wednesday of each month at St Alphonsus BINGO Hall. Pick up is between 9:30 and 10:30

If you knit and need a place for those hats or mittens, we will be happy to find homes for them. Feel free to drop them off at the Food Shelf. If we are not open go inside Keiths Store, take a left and go all the way back to the squishy doors. These doors go into the food shelf. Leave the items by the door and we will get them when we open next.

Again this year we are working with the school nurses at Lothrop, Proctor, Chittenden and Other Valley to help our hungry kids. With that being said we are trying to provide healthy snacks for them. i.e. drink boxes, cereals, pop tarts, crackers and peanut butter, mini cups of fruit or puddings. If you would like to help with snacks feel free to send in a donation with the words SNACKS written in the memo or drop them by the Food Shelf and we will make sure the kids get the.

Thanks to a special family who donated 50 back packs to the Food Shelf full of school supplies. What a blessing. Otter Valley, Lothrop & Proctor were very happy to receive them. Thank you all for a great year and helping us meet our needs so we can help our neighbors in need. Its never too late to make a donation. Send your tax deductible donation to : Pittsford Food Shelf, PO Box 553, Pittsford, VT 05763. If you have a special designation (i.e. snacks, operating expenses or where ever it is needed) for your donation please write me a little note and I will do my best to make sure it happens.

Again I say thank you to all my volunteers and to the community for helping us help our neighbors in need.

Any questions call Robin at 483-2967 or on her cell at 558-5768 Happy Holidays to all. Robin Rowe, Director, PFS
