**Subject:** FW: Re: Planning Hearing on the 13th This THURSDAY 6pm Public Input attached

Dear PC,

A reminder that the PC will be **meeting at 6:00 pm tomorrow**, to review the Giddings subdivision. Followed by the Hearing on Zoning change.

I forward some input from the Public on the latter matter.

Jeff Biasuzzi, ZA

Dear Planning Commission Members - this was sent to me instead of you all - but instead of saying at the meeting this Thursday I know someone who said this change is crazy .... I am showing you ...

your lack of concern for our traditional rural character is not popular. Stop making zoning changes according to what you personally think and start to PLAN ... you know? PLANNING commission? Plan for the future not what the world was like in 1960, or what will benefit the land you own, or you will never attract the young people you claim you want to come to live in Pittsford.

I would like a list of all the VLCT or other training each of you has gone to since you got on the commission - as far as I know, none of you have gone to the educational (and free) workshops that are set up for volunteer citizens such as yourselves (I hope you prove me wrong) ... we need all our PC members to be well-educated in the areas in which they are volunteering their time to represent not themselves - but our whole town.

Trish Lewis

Wow! Trish. This sounds serious. Like a movie — and we're all waiting to see when the righteous person is going to come in and take care of everything so this doesn't happen to your neighborhood. I'm hoping with you that this will not happen and you are able to keep the zoning the way that it is now! Right — no need to have a bigger industrial zone around you when the one that is already existing isn't even fully used. Crazy. Whose big idea was this? A politician? Time for a revote!

Teresa

Dear PC,

I send along additional feedback form a resident, with regards to the proposed Zoning changes.

I am writing in opposition to the proposal to expand the industrial zone. I live at 3744 West Creek Road and currently am surrounded by residential properties. I am asking that you do not rezone this to industrial/commercial. There are many reasons people choose the town of Pittsford as their community. Being a Vermont native I appreciate the rural/residential lifestyle and do not wish to see this re-zoning of West Creek Road take place.

Thank you for your consideration.
