

Town of Pittsford is seeking an **alternate zoning administrator**. This is for when our zoning administrator has a conflict of interest in a parcel in which he is the real estate broker and it has a permit required or needed. He cannot act on the buyer or seller's behalf for these transactions. This would be on an on-call basis, as needed.

Town of Pittsford is seeking an **alternate** for the Rutland County Solid Waste District Board. This is a board that is run by RCSWD and meets monthly to discuss the business of RCSWD.
